

## Lesson 15

### Today in Class

Today we had our last lesson with Mr. Scott Joplin. We reviewed our "Musical Alphabet" and the idea of "Steps". We played old songs and we learned to play "Hot Cross Buns". Yummy!

### This Week at Home

- Do the lesson again and practice the songs Mr. Scott Joplin taught you. Teach an adult to play Hot Cross Buns!
- Miss Melody will help with that and with other songs. Make some new songs! What will you call them?
- In the Games Room there's a fun game called "Stepping Stones". If we're careful with our STEPS we can help the boy catch his frog!
- Can you play STEPS with both of your hands? Do you remember the finger numbers? See if your adult remembers the Musical Alphabet! Which game is your favorite? Which game is your adult's favorite?
